10. [ ] Mr. Arthur Kelly, from the Rochester office of Representative Frank Horton (R., N. Y.), called in behalf of a constituent who inquired as to how he could contact a representative of the Agency. I provided Mr. Kelly the Washington, D. C. address and suggested that Mr. Kelly advise the constituent to write the Agency and indicate the nature of his interest. If it was for employment, the Agency would handle the necessary follow-up. Mr. Kelly asked for and was given the name and address of the Agency recruiter who covers his area. He asked for this information since he receives a number of such inquiries and was most appreciative.

6. [redacted] Jack Norpel, on the staff of the Senate Internal Security Subcommittee, called to advise us that Arthur Waskow, of the Institute for Policy Studies, is doing a project on prison conditions. According to Norpel one of his contacts is Walter Lee Parman, the convicted slayer of a Washington girl. Parman reportedly is in correspondence with Waskow and has written much to him about CIA. Norpel has a copy of some of this material and said he would pass it on to us if we wanted it. I told Norpel that I would advise our people of this and be back in touch with him if we were interested in getting a copy. I advised Mr. Houston who thought it best that we not accept Norpel's offer since there has been no Agency involvement in this case.

7. [redacted] Richard Kimmel, on the staff of the Joint Committee on Atomic Energy, called to say that the transcript of the Director's briefing of 16 February was ready for us to pick up and correct. I told him I would be by for it on Monday.
